#### ABOUT THE LIST

Information on The List was supplied by individual engineering firms through questionnaires and could not be independently verified by Columbus Business First. Arcadis Inc., ranked No. 4 last year; S&ME Inc., No. 13; and Woolpert Inc., No. 21, did not respond to our inquiries by deadline. Only those that responded to our inquiries were listed. Revenue and other numbers larger than 1 million are automatically rounded; however, rankings are based on unrounded numbers. In case of ties, companies are listed alphabetically.
